Because of you, the lives of 106 young moms and babies were changed for the better in 2016 through our Foundations To Success Program. What does that mean? 106 young moms and babies found stable housing, learned valuable life skills, received parenting education, wrote resumes, addressed traumatic life events in therapeutic counseling, and more. All this would not have been possible without your support!

You helped to create better futures for young moms and their children. We can’t possibly say it enough: thank you for your invaluable support!

-the Almost Home Staff, Moms, & Babies
Almost Home Apartments
Located across the street from our transitional living facility, our apartments are rent subsidized and in close proximity to Almost Home, allowing FTS Alumni to live independently, while still easily accessing support services.

Foundations to Success
Building a successful future starts with a solid foundation. Foundations to Success (FTS) provides a safe, nurturing environment to 16-20 year-old, low-income, single moms and their children. We meet their immediate needs for housing, food, clothing, and baby supplies, while also providing case management, counseling, and other support services that equip them to pursue and achieve their education and pursue their career goals.

Alumni Support Program (ASP)
Former FTS Program clients have access to on-going stabilization support, coaching, support groups, therapy, and referrals to community resources through the ASP program. Access to these services for up to eight years helps young moms reach long-term goals and achieve greater economic self-sufficiency.

Almost Home Apartments
Located across the street from our transitional living facility, our apartments are rent subsidized and in close proximity to Almost Home, allowing FTS Alumni to live independently, while still easily accessing support services.

IN 2016...
54 young moms were empowered by Foundations To Success
206 kids got a chance at a better future
89 alumni received continued support as they worked to achieve their long-term goals
46 moms received therapeutic counseling.
188 life skills classes equipped our young moms with the tools to become self-sufficient!
Taylor’s plan was always to go to college after high school. But things changed when she got pregnant at 14. She was shocked, nervous, and unsure of how to be a mom. Because she stayed with her mother, who lived a chaotic and unstable life, things were really intense at home. She needed a place to go, and in 2004 she came to Almost Home with her one-year-old daughter Justice.

According to Taylor, Almost Home got her on the right track. The staff used teachable moments to help her become a better parent, and they taught her how to access invaluable community resources. Taylor used what she learned at Almost Home to become self-sufficient. And she went a step further, becoming an advocate for homeless youth, sharing her experiences in order to better the lives of others!

Ten years after leaving Almost Home, Taylor is the proud mother of three children: Justice, Brian, and Nathan. She will tell you that becoming a mother gave her life purpose, and that her children are the driving force behind her success. Today, Taylor is a business owner! She’s running a fitness studio on South Grand, all while working on her degree in Business and Public Relations.

“I HAVE SO MANY WONDERFUL MEMORIES FROM ALMOST HOME... I GOT ON THE RIGHT TRACK WHEN I WAS THERE, LEARNING A LOT ABOUT PARENTING AND HOW TO ACCESS THE RESOURCES AVAILABLE TO ME IN THE COMMUNITY.”

Volunteer Spotlight

SAVITHA

What do you enjoy most about working at Almost Home?
As a childcare volunteer, I love spending time with the kids. They cheer me up and I’m glad I can help take care of them while their moms are in class.

What is your favorite memory at Almost Home?
One night, I was playing with three toddlers who didn’t get along with each other. I was teaching them to hug each other rather than hit, and hugged one of them as an example. When I stood up, the three toddlers surrounded me. They hugged my legs and looked up at me, smiling. My heart melted and I was suddenly really happy. I still think about that memory and smile.

How do you see Almost Home growing in the future?
There are a lot of amazing young women benefitting from Almost Home and I would love to see Almost Home expand to help even more individuals. As a volunteer, I also imagine more volunteers helping out at the center so that more moms are able to attend class when they want.

NEW WEBSITE

Launched in June, our new website captures the spirit of our mission, vision, and programming! Young moms, longtime donors, and those who have never heard of Almost Home can visit the site to see how Almost Home can help them fulfill their full potential.

Celebration of GRIT

In November, Almost Home hosted our third annual Celebration of GRIT Awards at the Chase Park Plaza, where we honored four community members for the tenacity, dedication and passion, and the inspiration they provide for our young moms!
