## **Independent Auditor's Report**

Board of Directors  
Almost Home  
St. Louis, Missouri

We have audited the accompanying financial statements of Almost Home (a nonprofit organization), which comprise the Statements of Financial Position as of December 31, 2021 and 2020, and the related Statements of Activities, Functional Expenses, and Cash Flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Almost Home as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis of Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Almost Home and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Almost Home's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Almost Home's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Almost Home's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

## NOTES TO FINANCIAL STATEMENTS

*December 31, 2021 and 2020*

---

### **NOTE A—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Organization**

Almost Home (the Organization), is a not-for-profit corporation organized under the law of the State of Missouri and is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Service Code. Almost Home is a transitional living experience for young women with children, coming from inadequate housing or other agencies, who want to develop personal and economic independence and stability. Almost Home commits to provide an environment of trust and respect where women may develop concrete skills which will enable them to achieve their individual goals. Prior to December 15, 2015, Almost Home was sponsored by the Franciscan Sisters of Mary. Effective December 15, 2015, Almost Home is exempt from federal income tax under Internal Revenue Code Section 501(c)(3) independent of the Franciscan Sisters of Mary.

#### **Basis of Presentation**

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

*Net assets without donor restrictions*—net assets that are not subject to donor-imposed stipulations.

*Net assets with donor restrictions*—net assets subject to donor-imposed stipulations that can be used for specified purposes or time periods or must be maintained in perpetuity by the Organization.

#### **Revenue Recognition**

All contributions are considered available for the Organization's general programs unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor are reported as support with donor restrictions and increase the respective class of net assets. Contributions received with donor restrictions that are met in the same reporting period are reported as unrestricted support and increased net assets without donor restrictions.

#### **Cash and Cash Equivalents**

Cash and cash equivalents consist of cash held in checking, savings, and money market accounts. At times, cash may be in excess of the FDIC limits.

#### **Investments**

Investments are reported at market value. Gains or losses on sales of investments are determined on a specific cost identification method. Unrealized gains and losses are determined based on year-end value fluctuations.

#### **Accounts Receivable**

The Organization considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

#### **Use of Estimates**

In preparing the Organization's financial statements, in conformity with generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Comparative Statements**

The financial statements for the prior period are presented for comparative purposes.

#### **Income Taxes**

**NOTE C—INVESTMENTS**

The Organization adopted FASB Accounting Standards Codification (ASC) Topic 820. Topic 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Topic 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value.

- Level 1—Quoted prices in active markets for identical assets or liabilities.
- Level 2—Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3—Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following table summarizes the levels in the fair value hierarchy of the Organization’s investments at December 31, 2021 and 2020:

### NOTES TO FINANCIAL STATEMENTS *(Continued)*

*December 31, 2021 and 2020*

---

#### **NOTE L—CONTINGENT LIABILITIES**

Almost Home receives State, St. Louis County, and City of St. Louis grant funding for specific purposes that are subject to review and audit by the grantor or their representatives. These reviews and audits could lead to requests for reimbursements or to withholding of future funding for expenditures disallowed, or other noncompliance, with the terms of the grants and funding. Almost Home is not aware of any noncompliance with State, St. Louis County, and City of St. Louis provisions that might require Almost Home to provide reimbursements that would be significant to the Almost Home financial statements.

Almost Home (general partner) and Almost Home Development, L.L.C. (guarantor) have certain obligations for operating deficits and certain other costs in connection with Almost Home Permanent Housing, L.P. (Project). The Project was completed during 2004 and began operations in September 2004.

#### **NOTE M—CONCENTRATION OF SUPPORT RISK**

The loan totaled \$89,980 and the loan was forgiven on November 30, 2020 as the conditions were met. In March 2021, the Organization applied for and received a second Paycheck Protection Program loan. The loan totaled \$86,250 and was forgiven in November 2021 as the conditions were met. The Organization has included the funds in the Statements of Activities under the description Unrestricted Grant Income.

#### **NOTE O—COVID-19 GLOBAL PANDEMIC**

The COVID-19 pandemic in the United States has caused business disruption through mandated and voluntary closing of businesses and has drastically affected the financial markets. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration of the closings and the continued effect on the markets. Therefore, the Organization expects this matter to impact its future revenues. The related financial impact and duration cannot be reasonably estimated at this time.
